Q.The sites that are allocated Title 1, is this based on free and reduced?

A.Yes. If Title 1 school has 220 students and 184 qualify for Title 1, the school is funded based on 184 students since that is the number of students who qualify.

Q.Can we carry money over to the next year if we don't spend it all?

A. Only 15% of the remaining funds can carry over to the following year, the goal is to spend the money you have for the year on the students attending that school year.
