Polio	4 doses at any age, but 3 doses meet requirements if the last one was on or after the child's 4 <sup>th</sup> birthday.
DTP/Tdap	5 doses at any age, but 4 doses meet requirements if the last one was on or after the child's 4 <sup>th</sup> birthday.
MMR	2 doses, both on or after the child's 1 <sup>st</sup> birthday
Hepatitis B	3 doses

### **Notes:**

\*All students entering first grade will need to show proof of a physical examination (CHDP exam). Although it is **encouraged that this requirement be met for kindergarten entry** as to ensure your child is healthy and ready to begin school.

\*California Law now requires that your kindergartner have an oral health assessment by May 31<sup>st</sup>. Oral health assessments that have happened within the 12 months before kindergarten also meet this requirement. If you cannot take your child for this assessment, you may be excused from this requirement by filling out Section 3 of the Oral Health Assessment Form.
